

Dear Friends of Fairhill:

We are preparing for our Career Fair, “Explore Together 2019!” The purpose of our career fair is for our students to further prepare them for the future, provide them with information about the World of Work, and have lots of fun!

This is our **very first** career fair; we are *EXTREMELY* excited to invite you to participate with us!! We need you or 1-2 representatives from your place of employment. We will have tables and chairs positioned for you in our gymnasium. At your table, you may dress in the clothing you wear for your career, provide information, show a video, answer questions, hand out literature and/or promotional items & enjoy interacting with the work force of the future!!

We are looking for a variety of people interested in talking to our students about their career. Whether you are a nurse, mechanic, astronaut, custodian, or business owner – we need you! Traditional *and* nontraditional occupations are all welcome!

We have set this year’s date for **Thursday March 28th, 2019 from 2-4 PM.** You may arrive at 1:30 to set up and get acquainted with our school if you wish. Students in grades 4 through 6 will be participating over three sessions. You will meet with one grade level per session. As such, we will be sure to send out more logistical information closer to the date. At this time, we would be thrilled to ensure your commitment to Fairhill’s first Career Fair!

If you are not interested in participating or unable to, but know someone who is, please provide their contact information below.

You may respond by returning the bottom portion of this sheet to one of the counselors, call (703) 208-8131; fax to 703-208-8181; or you may e-mail Mrs. Schwartz at gwschwartz@fcps.edu.

Thank you in advance for Fairhill Elementary, our staff, students, and the many endeavors that we pursue!!

Sincerely,

Gihea Schwartz and Andrew Mitchell

Professional School Counselors

Fairhill Elementary

PLEASE RETURN TO, OR CONTACT: Mrs. Schwartz!!

___ I am interested in participating in “EXPLORE TOGETHER 2019” on March 28th.
